Interests

- **Martial Arts:** I have participated in martial arts in a variety of forms for over 14 years, having obtained a 1st degree black belt in Karate, a rank of 2-kyu in Naginata, and a minor concussion from Kendo.
- **Foreign Cinema:** I am passionate about film classics from around the world and am always intrigued how a country's unique history and culture shapes the direction of their film industry. I particularly enjoy Italian and Japanese films of the mid 20th-century.
- **Tabletop Gaming Enthusiast:** As a member of Western Law's *Litigamers* club, I enjoy teaching, learning, and playing all forms of tabletop games. This varies from classic games like *Mahjong*, to immersive role-playing games like *Dungeons and Dragons*, to lesser-known modern board games such as *Tsuro*.
